

## Scheme of Delegations: Director, Education & Skills

September 2019

The Director Education & Skills is authorised in accordance with Part E: Officer Delegation Scheme to carry out functions on behalf of Full Council and the Executive. The Director has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the CFO delegates functions to a fellow Director he/she makes it clear in this sub-delegation scheme whether that Director can sub-delegate those functions.

This scheme details the officers who can carry out each function on the Director's behalf, together with the details of any terms and conditions which the Director has imposed on that sub-delegation. **All officers are bound by the Finance, Contract and Procurement Rules (Part D of the Constitution) and the Employee Code of Conduct (which can be found in Part C of the Constitution) and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.**

Even though the Director has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme. An officer with sub-delegated authority may decide not to exercise that authority, or the Director may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Director for a decision or for referral to the relevant Committee if appropriate.
