Please describe the impact to the ethnicity and race characteristic	There is a risk that citizens from ethnic groups may be adversely disadvantaged by the charging policy, especially those from low income households. Although we have no data to support this and this is anecdotal, this issue has been raised in the public consultation for a similar project at Cannon Hill Park in 2017. There is a risk that citizens from ethnic groups with low incomes may be put off from visiting Sutton Park as a result of the car park charging scheme.

Does this proposal impact people's sexual orientation as per the Equality Act 2010?
