Cease the Ranger Patrol Service

15/05/2024

EIA Form About your EIA

Reference number	EIA000360
Date Submitted	08/02/2024
Subject of the EIA	Cease the Ranger Patrol Service
Brief description of the policy, service or function covered by the EIA	The proposal will remove the Ranger Patrol Service which is generally an out of hours provision. This means that the remaining parks rangers service will not be able to response to any issues in our parks during out of hours (Evenings & Weekends). Additional key holders will be identified from the remaining parks rangers service to continue to enable the opening and closing of the parks and other general activities, however we have a contracted gate locking contractor who manages access out of hours and is linked through to the BCC call center that will manage any arising issues. We are not removing the whole service provision we are merely changing the service delivery model. We have been unable to identify any additional impact against the protected characteristics and our assessment defines that these changes will impact on everyone in the same way.
Equality Assessment is in support of... How frequently will you	["Amended policy", "Amended function"]

How will you mitigate against any negative impact to the gender reassignment characteristic?

N/A
